

**Thursday, Aug. 5th, 2010
5:15 – 8:30 PM**

**Smart Growth Renewal
District Partners & YOU**

**A public meeting to discuss
the Indianapolis
Smart Growth Renewal District**

**Herron High School
110 East 16th Street**

In late 2009, many of you participated in an exciting planning initiative to improve and revitalize your neighborhoods called the Smart Growth Renewal Project. The American Institute of Architects' (AIA) Sustainable Design Assessment Team (SDAT) has now completed a blueprint for moving forward, and we need your help to take "ACTION" on our next steps.

The agenda will be as follows:

5:30 – 6:00 PM Dinner will be served with a brief overview of the SDAT findings.

6:00 – 7:00 PM Presentation and group discussion regarding the proposed Monon Farm, Market and Recreation project which aims to bring jobs as well as fresh produce back to the community.

7:00 – 8:00 PM Break out in action groups to discuss "green" infrastructure improvements that will make for safer, healthier and more economically sustainable neighborhoods both along 16th street and the Smart Growth Renewal District.

Please join us on Aug. 5th, and let's continue working together to improve our neighborhoods.

Partners include:

Martindale Brightwood CDC, King Park Area Development Corporation, Ball State CAP:IC, Martindale on the Monon, Indianapolis Chapter of the AIA, City of Indianapolis DMD Planning & DMD Brownfield Redevelopment Program, City of Indianapolis Office of Sustainability, Development Concepts, Inc.
